BATHROOM LUMINAIRES

2024/25

A warm, intimate photograph of a man and a woman sitting closely together on a couch. The man, with a beard and short brown hair, is wearing a teal polo shirt and smiling as he looks out a large window. The woman, with dark hair, is leaning her head against his shoulder, also smiling. They are both holding hands. The scene is bathed in soft, golden light from the window, creating a cozy and happy atmosphere. The background shows a glimpse of a modern interior with a white chair and a table.

BATHROOM LUMINAIRES

Having the right light in the bathroom makes all the difference to your day.

A comfortable atmosphere in which we feel at ease is essential. At the same time, the lighting needs to be flexible to allow everything from relaxing, dimmed feel-good lighting to optimum illumination in front of a make-up mirror.

The high-quality bathroom luminaires from LEDVANCE are just the right choice. They are designed for a modern and responsible lifestyle. Our smart lights, for example, can be controlled by app or voice command, are dimmable and have a changeable color temperature. LEDVANCE products rely on the latest LED technology for its bathroom luminaires: energy-efficient, dimmable and with low heat generation.

After all, this is how you want to start and end your day: In the best light.

A man and a woman are in a modern bathroom. The man, on the right, is wearing a grey robe and holding a smartphone, smiling. The woman, on the left, is wearing a red robe and looking at the mirror. The mirror is mounted on a wooden wall and has four horizontal lights above it and three vertical lights to its right. The mirror reflects the woman's face and the man's profile. Below the mirror is a white sink with a dark bottle on it.

A minimalist bathroom scene. On the left, a square, recessed light fixture is mounted on a light-colored wall. In the center, a wooden stool holds a stack of books. To the right, a white, freestanding bathtub is partially visible. Large white curtains hang in the background, and the floor is a light gray.

A modern bathroom interior featuring a glass-enclosed shower area with wood-paneled walls and a stone-tiled wall. The shower has a rainfall showerhead and a handheld shower wand. To the right is a vanity with a white vessel sink, a chrome faucet, and a dark countertop. The vanity cabinets are white with a dark base. The floor is made of light-colored wood planks. The ceiling has recessed lighting. The text "RECESS GU10" is overlaid on the image.
